

Scientific Programme - Wednesday 16 September

Track A - Trauma

9:00-12:30

Auditorium 1

Track Chairs/Moderators: Joanne Williams (California),
Colin Graham (UK), Mark Fitzgerald (Australia)

9:00-9:20

Air Bag - Friend or Foe?

Julie A. Gorchynski
Texas

9:20-9:40

What's Beyond the FAST?

Jim Connolly
United Kingdom

9:40-10:00

Nasotracheal Intubation - Is There a Place in Trauma Airway

Joanne Williams
California

10:00-10:20

Are Plain C-Spine Films Obsolete?

Alastair Meyer
Australia

10:20-10:40

Massive Transfusion: What is the "Right" Ratio?

David T. Williams
California

10:40-11:00

Is There a Place for NIPPV in Blunt Chest Trauma?

Roberta Petrino
Novara, Italy

11:00-11:20

Pediatric Orthopedic Injuries - What Not to Miss

Ian Maconochie
United Kingdom

11:20-11:40

5 Minute Killers!: Chest Injuries

Heatherlee Bailey
New Jersey

11:40-12:00

Traumatic Aortic Catastrophes - Early and Late Presentations

Colin Graham
Hong Kong

12:00-12:20

"Black Saturday" - Australian 2009 Wildfires Mass Casualty Management

Mark Fitzgerald
Australia

Scientific Programme – Wednesday 16 September

Track B - Medical Imaging

9:00-12:30
Auditorium 2

Track Chairs/Moderators: David T. Schwartz (New York), Mercedes Carrasco (Spain), Tony Joseph (Australia)

9:00-9:20 **Advances in Stroke Imaging**
Andrew W. Asimos
North Carolina

9:20-9:40 **MDCT in Major Trauma: What is the Role of Total Body CT - the "Pan Scan"?**
Anthony Joseph
Australia

9:40-10:00 **The Role of MRI in the ED**
Francisco Moya Torrecilla
Spain

10:00-10:20 **How to Read a Head CT in a Patient with Headaches**
David T. Schwartz
New York

10:20-10:40 **Break**

10:40-11:00 **Renal Colic: CT Imaging in the ED**
Mercedes Carrasco
Spain

11:00-11:20 **Pitfalls in Orthopedic Radiology**
David T. Schwartz
New York

11:20-11:40 **Imaging Pitfalls in Patients with Abdominal Pain**
Gerd Bodner
Gibraltar

11:40-12:00 **PE Imaging Strategy: How Should CT be Used in a Patient Suspected of Having a Pulmonary Embolism?**
Peter Cameron
Australia

12:00-12:20 **Panel Discussion: CT Radiation Dose and Cancer Risk: Are We Ordering Too Many CT Scans or Too Few?**
Bernard Foley
Kim Yates
New Zealand

Track C - Hyperbaric O2 Therapy

9:00-12:30
Auditorium 3A

Track Chairs/Moderators: Frederick W. Fiessler (New Jersey), Pinhas Halpern (Israel), Ian Millar (Australia)

9:00-9:20 **HBO Worldwide - Old and New**
Frederick W. Fiessler
New Jersey

9:20-9:40 **Equipment Limitations and ICU Under Pressure**
Jacek Kot
Poland

9:40-10:00

10:00-10:20

10:20-10:40

10:40-11:00

11:00-11:20

11:20-11:40

11:40-12:00

12:00-12:20

Track D - Environmental Emergencies

9:00-12:30
Auditorium 3B

Track Chairs/Moderators: Joseph G. Rella (New Jersey), Ulkumen Rodoplu (Turkey), Lee Wallis (South Africa)

9:00-9:20 **Climate Changes and Environmental EM**
Tareg Bey
California

9:20-9:40 **Hypothermia Update**
Rick Blum
West Virginia

9:40-10:00 **Ice and Soft Tissue Injury**
Niamh Collins
Ireland

10:00-10:20 **Diving Emergencies**
Ulkumen Rodoplu
Turkey

10:20-10:40 **Break**

10:40-11:00 **Submersion Injuries**
Arian Nachat
California

11:00-11:20 **Heat Illness**
Jason E. Smith
UK

11:20-11:40 **Cyanide Exposure Resulting from Housefires**
Joseph G. Rella
New Jersey

Overview of HBO Emergencies
Pinhas Halpern
Israel

Evidence Based Practice - Carbon Monoxide
Larry D. Weiss
Maryland

Break

Practice Based Tips - Carbon Monoxide
Jordi Desola
Spain

Burns and HBO
Juliusz Jakubaszko
Poland

Brain Injury and HBO
Robert L. Rosenthal
Maryland

Necrotizing Wound Infections and HBO
Folke Lind
Sweden

Musculoskeletal Trauma
Ian Millar
Australia

Scientific Programme – Wednesday 16 September

11:40-12:00 **Poisonous Plants**
Zeynep Kekec
Turkey

12:00-12:20 **Altitude Emergencies**
Lee E. Wallis
South Africa

Track E - Facility Design/Configuration

9:00-12:30
Sala 1

Track Chairs/Moderators: Thomas E. Terndrup (Pennsylvania), Terrance Mulligan (Netherlands), Kendall Hall (Maryland)

9:00-9:20 **Evidence Based Hospital Design: Implications for Emergency Care**
Gunnar Ohlen
Sweden

9:20-9:40 **ED Design for Large Scale Collaboration**
Kendall Hall
Maryland

9:40-10:00 **Front End/Arrival Area Options to Reduce ED Crowding**
Thomas E. Terndrup
Pennsylvania

10:00-10:20 **Optimal ED Design for Patient Flow and Infection Control**
Michelle Fischer
Pennsylvania

10:20-10:40 **Break**

10:40-11:00 **Observation Emergency Medicine in ED Design**
James Leaming
Pennsylvania

11:00-11:20 **Design Issues in Conflict Areas**
Pinhas Halpern
Israel

11:20-11:40 **Best Practices of High Volume EDs**
Jeffrey Arnold
California

11:40-12:00 **ED Design in the Developing World**
Manuel Hernandez
Illinois

12:00-12:20 **Panel Discussion**

Track F - Developing Resident Education

9:00-12:30
Sala 2

Track Chairs/Moderators: Gus M. Garmel (California), Roberta Petrino (Italy), Gautam Bodiwala (UK)

9:00-9:20 **Developing Resident Education in Europe starting from a European Curriculum**
Roberta Petrino
Italy

9:20-9:40 **Educational Planning for Off-service (rotating) Residents in the Emergency Department**
Ian Martin
North Carolina

9:40-10:00 **Emergency Medicine: How Does It Affect Residency Training in Other Disciplines?**
Murat Ersel
Turkey

10:00-10:20 **Evaluating and Improving Educational Environment in the ED**
Mohammad Jalili
Iran

10:20-10:40 **Break**

10:40-11:00 **Mentoring Residents in an EM Residency Program**
Gus M. Garmel
California

11:00-11:20 **Giving Effective Feedback to Residents in the ED**
Patrick Brunett
Oregon

11:20-11:40 **Residency Research - It's the Journey**
John C. Sakles
Arizona

11:40-12:00 **How to Build an Efficient and Effective Resident Training Network**
Raed D.A. Arafat
Romania

12:00-12:20 **The Swedish Model for "Specialist Examination"**
Lisa Kurland
Sweden

Track G – Oral Abstracts

9:00-12:30
Sala 6

Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)

9:00-11:00 **Abdominal/Gastrointestinal/Genitourinary/Obstetrical/Gynecology Abstracts WE.01 through WE.08**

11:00-12:30 **Shock and Critical Care WE.09 through WE.14**

Track H – Oral Abstracts

9:00-12:30
Sala 7

Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)

9:00-11:45 **Cardiovascular/CPR/Resuscitation Abstracts WE.15 through WE.25**

11:45-12:30 **Other Abstracts WE.26 through WE.28**

Scientific Programme – Wednesday 16 September

Track I – Oral Abstracts

9:00-12:30

Sala 8

Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)

9:00-12:30

Pre-Hospital/EMS/Out of Hospital Abstracts WE.29 through WE.42

16:00-16:20

Mass Casualty ED Management: Lessons Learned in Beirut

*A. Antoine Kazzi
Lebanon*

16:20-16:40

The Spanish Trauma System (presented in Spanish)

*Pablo Sanchez-Vicioso
Spain*

Track J – Oral Abstracts

9:00-12:30

Sala 9

Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)

10:00-12:15

Disaster Medicine

Abstracts WE.43 through WE.51

16:40-17:00

Pleural Decompression in Trauma Resuscitation

*Mark Fitzgerald
Australia*

17:00-17:20

10 Things Not to Miss in Trauma!

*Renee Y. Hsia
California*

CPC Competition

9:00-12:30

Sala 4

Track Chairs: Carl A. Germann (Maine) and John C. Southall (Maine)

Moderators: Megan L. Fix (Maine) and Casey Z. MacVane (Maine)

17:20-17:40

EUROTARN - Current Status and Future Plans

*Antoinette Edwards
UK*

17:40-18:00

“As the World Ages” - Are we Prepared for Increasing Geriatric Trauma?

*Joanne Williams
California*

18:00-18:20

Reversal of Anticoagulation in Head Injury

*Mark I. Langdorf
California*

Plenary Sessions

12:30-13:30

Auditorium 1

12:30-13:00

Is Triage Dead?

*Sally McCarthy
Australia*

13:00-13:30

Triage and Organization of Assistance in a Disaster: The 11 March 2004 Madrid Bombings

*Ervigio Corral Torres
Spain*

Track B – Ultrasound

15:00-18:30

Auditorium 2

Track Chairs/Moderators: Paul R. Sierzenski (Delaware), Gian Alfonso Cibinel (Italy), Stephen Gletsu (Saudi Arabia)

15:00-15:20

Always Management

*Vicki Noble
Massachusetts*

15:20-15:40

Dyspnea and Respiratory Failure

*Giovanni Volpicelli
Italy*

15:40-16:00

Cardiac Arrest

*Edgar Muller
Germany*

16:00-16:20

Acute Heart Failure and Shock

*Gian Alonso Cibinel
Italy*

16:20-16:40

Break

16:40-17:00

Blunt Chest and Abdominal Trauma

*Louise Rang
Canada*

17:00-17:20

Chest Pain: Focus on Aortic Syndromes

*Stephen Gletsu
Saudi Arabia*

Track A – Trauma

15:00-18:30

Auditorium 1

Track Chairs/Moderators: Joanne Williams (California), Colin Graham (UK), Mark Fitzgerald (Australia)

15:00-15:20

“No Respector of Persons”: Child Abuse, Is It Now a Global Issue?

*Cynthia Price
Connecticut*

15:20-15:40

When the Pulse is Gone, It's Too Late! - Compartment Syndrome

*Matthias Russ
Australia*

15:40-16:00

Ethical Issues in Trauma Resuscitation - When is Enough, Enough?

*Giles Cattermole
Hong Kong*

Scientific Programme – Wednesday 16 September

17:20-17:40 **Vascular Access**
Ramon Nogue Bou
Italy

17:40-18:00 **Venous Thromboembolism**
Amanda Hanson
Canada

18:00-18:20 **Soft Tissue**
Paul R. Sierzenski
Delaware

Track C - Infectious Disease

15:00-18:30
Auditorium 3A

Track Chairs/Moderators: David A. Talan (California),
Erwin Dhont (Belgium), Cem Oktay (Turkey)

15:00-15:20 **The Potential Role of EDs in ID Surveillance**
David A. Talan
California

15:20-15:40 **Emerging Infectious Diseases from Around the World**
Cem Oktay
Turkey

15:40-16:00 **Influenza A (H1N1) Outbreak in Mexico**
Carlos Garcia-Rosas
Mexico

16:00-16:20 **ED Role in Hospital Infection Control: Managing the Hospital Acquired MRSA and Clostridium Difficile associated Disease Challenges**
Erwin Dhont
Belgium

16:20-16:40 **Break**

16:40-17:00 **Important Changes in Bacterial Antibiotic Resistance for the ED**
Frank LoVecchio
Arizona

17:00-17:20 **MRSA Abscess: Are Antibiotics Necessary?**
David A. Talan
California

17:20-17:40 **MRSA: Epidemiology and Antibiotic Update**
Gregory J. Moran
California

17:40-18:00 **Update of Avian Influenza, SARS and Influenza A(H1N1)**
Lit-Sin Quek
Singapore

18:00-18:20 **Management of Tropical Fever in the ED: Update on Malaria**
Juan Gonzalez del Castillo
Spain

Track D - HEENT and Airway

15:00-18:30
Auditorium 3B

Track Chairs/Moderators: Kenneth H. Butler (Maryland),
Roberta Petrino (Italy), Tae Ho Lim (New York)

15:00-15:20 **Deadly ENT Disorders**
Kenneth H. Butler
Maryland

15:20-15:40 **Acute Airway Obstruction**
Tae Ho Lim
New York

15:40-16:00 **What to Know for Eye Emergencies**
Young Mi Choi
Korea

16:00-16:20 **URI - Antihistamines, Decongestants, Antitussives? Do Any Work?**
Joseph P. Martinez
Maryland

16:20-16:40 **Break**

16:40-17:00 **What's New for Nosebleed**
Raemma Luck
Pennsylvania

17:00-17:20 **Updates on Facial Trauma**
Gu Hyun Kang
Korea

17:20-17:40 **Predictors of a Difficult Airway**
Paul Phrampus
Pennsylvania

17:40-18:00 **Videolaryngoscopy - Really Helpful in Difficult Emergency Situations**
Volker Doerges
Germany

18:00-18:20 **Flexible Fiberoptic or Rigid Endoscopic Intubation?**
V. Martinez Pons
Spain

Track E - Leadership

15:00-18:30
Sala 1

Track Chairs/Moderators: Edward A. Panacek (California),
Terrance Mulligan (Netherlands), Khalid Abu Haimed (Saudi Arabia)

15:00-15:20 **How to be a Good Doctor**
Roberta Petrino
Italy

15:20-15:40 **How to Lead and Inspire a Team**
Wyatt Decker
Minnesota

15:40-16:00 **Practical Steps for a New ED Director**
Robert E. O'Connor
Virginia

Scientific Programme – Wednesday 16 September

- 16:00-16:20 **Acquiring Credibility as an ED Director**
Herman H. Delooz
Belgium
- 16:20-16:40 **Break**
- 16:40-17:00 **ED Benchmarking: A Customer Driven Model**
Hasan Al Shabanah
Saudi Arabia
- 17:00-17:20 **Leading and Organizing an EM Departmental Research Program**
Edward A. Panacek
California
- 17:20-17:40 **Organizational and Management Issues in Informatics: Dutch ePortfolio**
Pieter van Driel
Netherlands
- 17:40-18:00 **Emergency Medicine Health Care System - Critical Steps Towards Development**
Abdel Bellou
France
- 18:00-18:20 **Emergency Medicine as a Global Organization**
Khalid A. Abu-Haimed
Saudi Arabia

Track F - Performing Research & Getting Published

- 15:00-18:30
Sala 2
Track Chairs/Moderators: David C. Cone (Connecticut), Oscar Miro (Spain), Eddy Lang (Canada)
- 15:00-15:20 **A Publisher View of Scientific Journals**
Phil Daly
Netherlands
- 15:20-15:40 **Thomson Scientific, Journal Citation Reports and the Impact Factor**
Jeff Clovis
Connecticut
- 15:40-16:00 **Science for Public Consumption**
Eddy Lang
Canada
- 16:00-16:20 **What do Readers Expect from EM Scientific Journals?**
Robert E. O'Connor
Virginia
- 16:20-16:40 **Break**
- 16:40-17:00 **The Peer Review Process: International Perspectives**
Latha Stead
Minnesota
- 17:00-17:20 **Statistical Aspects of Peer Review in Emergency Medicine**
Roger J. Lewis
California

- 17:20-17:40 **How to Improve the Quality for Being Indexed**
Oscar Miro
Spain
- 17:40-18:00 **Current Status and Future Development of EM Journals in Europe**
Colin Graham
Hong Kong
- 18:00-18:20 **Open Access and electronic Publication: the Future of Scientific Writing**
David C. Cone
Connecticut

Track G – Oral Abstracts

- 15:00-18:30
Sala 6
Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)
- 15:00-17:30 **Clinical Policies/Practice Guidelines**
Abstracts WE.52 through WE.61
- 17:30-18:15 **Computer and Information Technologies**
WE.62 through WE.64

Track H – Oral Abstracts

- 15:00-18:30
Sala 7
Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)
- 15:00-18:00 **Patient Flow/Throughput Management**
Abstracts WE.65 through WE.76
- 18:00-18:15 **Other**
Abstract WE.77

Track I – Oral Abstracts

- 15:00-18:30
Sala 8
Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)
- 15:00-16:45 **Pre-Hospital/EMS/Out of Hospital**
Abstracts WE.78 through WE.84
- 16:45-18:30 **Medical Education (Undergraduate, Graduate, and CPD)**
Abstracts WE.85 through WE.91

Track J – Oral Abstracts

- 15:00-18:30
Sala 9
Track Chairs: Gary Gaddis (Kansas), Marc Sabbe (Belgium), Eddy Lang (Canada)
- 15:00-16:45 **Internal Medicine (General), Nephrology, and Endocrine**
Abstracts WE.92 through WE.98
- 16:45-17:30 **Disease and Injury Prevention**
Abstracts WE.99 through WE.101

Scientific Programme - Wednesday 16 September

CPC Competition

9:00-12:30

Sala 4

Track Chairs: Carl A. Germann (Maine) and John C. Southall (Maine)

Moderators: Megan L. Fix (Maine) and Casey Z. MacVane (Maine)
